Soft and absorbent, Tork Advanced 3-Panel C-Fold Hand Towels offer the right combination of quality, performance and value. These towels are suitable for the Tork C-fold Hand Towel dispenser, which is a traditional system that provides stacked towels. Fast absorbency helps to control usage, so you save on reduced waste and maintenance time. Embossing enhances hand feel and maximum absorbency. Unique in that the towels are stacked and not interfolded for individual dispensing. Structured Towel.
