

Price Revision

New Pricing Effective July 1st, 2022

April 28, 2022

To our valued distributors,

We would like to thank you for your continued support and loyalty during these uncertain times as we strive to provide market leading cleaning solutions.

We continue to experience unprecedented cost increases on raw materials, packaging, and freight. We have been working very hard to mitigate these increased costs but a price revision has become necessary.

As a result of these challenges, Dustbane will be implementing a price adjustment effective July 1, 2022. Accordingly, all purchase orders shipped on or before June 30, 2022, will be invoiced using existing pricing. Orders shipped in July will be invoiced using the new July 1, 2022 pricing.

Thank you for your business and understanding in these challenging times. Take care and stay safe.
