

MC 2C

Mobile cold water pressure washer

NILFISK

Convenient rear storage compartment for easy access and sturdy containment of the detachable combination foam cannon and 2.5-litre solution tank.

Automatic Start/Stop feature starts and stops the motor when the spray trigger is engaged or released – reducing noise during pauses and lowering pump wear and tear.

Smart, ergonomic construction and design with a convenient detachable sprayer-tank allows for increased range of mobility and greater ease of use.

The ideal machine for everyday cleaning

The MC 2C pressure washer is designed for low intensity use and routine professional cleaning tasks. This compact machine provides excellent cleaning performance and easy storage and handling. Applications include – small farm maintenance, sidewalk and entryway clean up, food processing facilities, manufacturing plants, and shipping and receiving areas.

Primary MC 2C features and benefits include:

- **Automatic Start/Stop function** for noise reduction and less pump wear and tear
- **Adjustable transport handle** for easier transport and handling
- **Ergonomic design** for reduced operator strain
- **Ergo 2000 Gun** for improved handling and less strain
- **Longer DN6 50 ft steel reinforced high-pressure hose** for greater extension
- **Detachable foam cannon and 2.5-litre tank** for increased mobility and range of use
- **Attached hose reel-and-guide** for faster more convenient job start-up and completion
- **4-in-1 lance** for adjustable spray functionality at the turn of the wrist
- **Hose reel & lance holder** for easy transport, storage and use
- **Convenient cable hooks** for fast power cable storage and release
- **CSA and UL certified**

Models and specifications

MC 2C:

- Universal foam sprayer with 2.5-litre tank
- Ergo 2000 spray gun
- Automatic Start/Stop function
- 4-in-1 lance
- 50 ft. hose
- Hose-reel with guide

TECHNICAL SPECIFICATIONS

Description	MC 2C
Item no.	128471370
Pump pressure (bar/psi)	60-90 MAX/ 900-1300 MAX
Water flow (gpm)	2.2
Max. inlet temperature (°C/°F)	60/140
Pump (RPM)	2800
Dimensions L x W x H (in)	15.5 x 15.5 x 37.6
Weight	72.3 lbs (32.8 kg)
Power consumption (kW)	1.7
Voltage/phase/frequency/current (V/~/Hz/A)	120/1/60/14
EI cable (ft)	16
Features:	
Pistons / number of pistons	Stainless steel / 3
Automatic start/stop	•
Gun Holder	•
Cable hook turnable	•
Foam sprayer attachment	•
Detergent tank (l)	1 x 2.5
Hose reel	•
Foam cannon and tank	•
Standard equipment:	
Gardena male 3/4"	32541
Hose DN6 50ft	101406176
Ergo 2000 standard w. swivel	106403122
Flexopower plus bend w/o nozzle
